

# Director(s)

**Mr. Bappa Das**

**Mr. Mohon Das**

**Mr. Ashis Das**

As Directors of Nishan Green Solar Energy Pvt. Ltd., we are committed to leading this company with vision, integrity, and innovation.

Our focus is to deliver efficient and affordable solar solutions while ensuring the highest standards of quality and service. We strive to create long-term value for our customers, stakeholders, and the environment.

We believe solar energy is the key to a sustainable future, and we are dedicated to driving this transition with strong leadership and responsible decision-making.

Together, we aim to power a cleaner and greener tomorrow.

Thank you.

# OUR TEAM

## CEO

**Mr. Bappa Das**

As a shareholder, my vision is to build a company that not only delivers solar solutions but also creates long-term impact for society. We are committed to making clean and affordable energy accessible to every home, business, and farmer.

At Nishan Green Solar Energy Pvt. Ltd., we believe that energy is not just a necessity—it is the foundation of a better future.

As a shareholder, my vision is to build a company that not only delivers solar solutions but also creates long-term impact for society. We are committed to making clean and affordable energy accessible to every home, business, and farmer.

**Mr. Mohon Das**

I am proud to represent Nishan Green Solar Energy Pvt. Ltd. We started this journey with a clear goal—to make clean, affordable solar energy accessible to everyone. Today, as energy costs rise and environmental concerns grow, we believe solar is not just an option, but the future.

At Nishan Green Solar Energy, we are committed to delivering reliable solutions for homes, businesses, and farmers, while contributing to a greener and more sustainable world.

As a shareholder, my vision is to build a trusted and impactful solar company that creates value for both people and the planet.

Let's work together to power a greener tomorrow.
